

### The Mission:

The Hometown Heroes Golf Tournament is an annual nonprofit event held to honor the brave men and women who serve in all areas of public safety.

### Who Will Benefit:

The money raised from the Hometown Heroes Golf Tournament will fund book scholarships, which will be given to deserving CREC Civic Leadership High School seniors. These one-time scholarships will be paid to a student's college or university bookstore, at an amount to be determined.

All public safety agencies that participate in the Hometown Heroes Golf Tournament will have the opportunity to name a book scholarship in honor of their hometown heroes. These heroes will be honored at the spring award ceremony and at the golf tournament the following year.
